From: Amy Selvaraj (DELWP) on behalf of Planning Panels (DELWP)
Subject: Casey C258 - request from Kameel Pty Ltd to be heard at the hearing
Date: Monday, 18 May 2020 1:26:44 PM

Good afternoon parties

Please note that Kameel Pty Ltd have now requested to be heard at the hearing.

They will be represented by Ms Jane Sharp, Barrister and will be calling evidence from:

- Mr Sean Stephens of Ethos Urban Pty Ltd, in respect of economic matters; and
- Mr Tim Peggie of Ethos Urban Pty Ltd, in respect of strategic planning matters.

Kameel has requested 1.5 hours at this stage.

The Chair has asked me to clarify this timing with Kameel in light of potential cross examination from other parties.
Once that is confirmed, the Chair will issue another version of the timetable.

If you have any questions please let me know.

Regards

Amy
