	Character 1 This character lives in an Estate close to his school and chooses to ride his scooter to school. His parents make sure that his helmet is on his head properly before he scoots to school. NAME is in Grade 2.	
	Character 2 This Character is fun and lively and walks to school with her friends from Grade 3. Her walk is a little bit longer, but she has done Road Safety Education and practises STOP, LOOK, LISTEN and THINK at all road crossings. NAME and her friends always cross the main road with their friendly School Crossing Supervisor, Lottie.	
	Character 3 This Character NAME is quiet and shy and in Grade 1 and is driven to school by car. NAME Grandparents pick her up in the afternoon at the drop off zone. Her Grandparents know they can only stop there for 2 minutes, so sometimes they drive around the block and come back to meet NAME.	
	Character 4 This young Prep named NAME is still learning all the new rules for school. His parents park a few streets away from school and walk together to get some daily exercise. They always hold hands with NAME and use the Pedestrian crossing to cross the road.	
	Character 5 NAME is in Grade 5. NAME is new to City of Casey and is finding her feet at her new School. Luckily, she lives close to the school and has used the Walk to School Map to find the safest way to get to school. She really likes her School Crossing Supervisor Lottie, who she knows by her name Lottie. NAME is meeting new friends every day by walking in her community	
	Character 6 This fun, happy girl NAME is in Grade 4 and loves sport. NAME rides her bike to school and wears a cool, bright helmet as she recently completed Bike Education. NAME follows the local bike trail near the school to get home safely and always rides with friends.	
	Character 7 This Boy NAME is in Grade 4 and goes to before school care. In the afternoon, his parents pick him up 10 minutes after the bell because it is less busy at that time. He chats to his friend's while he waits.	
	Character 8 This is NAME. He catches the bus to school. A few other Grade 6 Students catch the same bus and they have a short walk to school, crossing at the traffic lights and then the school crossing. NAME makes sure he is not distracted by his friends and crosses safely.
