

Ray Bastin Reserve Redevelopment – Adult Survey Questions

Ray Bastin Reserve is a regional playground and caters to both a local and regional catchment. Engagement with the community will seek to understand the vision and concept for the redeveloped reserve (including replacement of infrastructure and retention of other elements that are within useful life). Later stages of engagement will confirm the vision and direction from the community to inform detailed design.

We would like to know what makes Ray Bastin Reserve important to our community, and ways of enhancing this experience. We are interested in what the community uses the Reserve for, e.g. social activities, sports and play, environment/nature and events. We would also like to hear from the community who both uses and directly impacts their access and amenity of the reserve, e.g. where people are coming from, age, gender, culture, user groups, access and ability.

Your feedback will help guide us on priorities for the Reserve and its facilities. To have your say complete the survey below and submit to cgoodrich@casey.vic.gov.au or visit the project page at Casey Conversations on the link below.

Residents that complete the survey or the '[Draw Your Dream Playground](#)' via Casey Conversations, have the option to go into the draw to win a Westfield shopping voucher. Survey entries close Friday 15 October. Prize winners will be contacted via email.
