

ARLEON CRESCENT RESERVE – SUMMARY

The City of Casey's Playground Strategy identifies sites within the municipality for the installation of new playgrounds. New district and local level playgrounds are funded by the Capital Works Program and are delivered within the financial year. The works include a playground renewal program which is compliant with Australian Standards.

The local level, Arleon Crescent Reserve playground, Cranbourne, will be refurbished during the 2022/2023 Financial Year.

You spoke, we listened – Preferred Design

The featured design has been inspired by community feedback from a recent site survey. You spoke, we listened, and the new playground design reflects this input.

A bright playground design that caters for both junior and senior users incorporating a similar footprint has been the successful.

Comprising of two play towers and a rope pyramid with multiple slides, interconnecting rope climbing activities, rock wall, standard swings with the inclusion of a basket swing, and multiple overhead activities.

There is something for everyone.
