

OAKTREE DRIVE RESERVE – SUMMARY

The City of Casey's Playground Strategy identifies sites within the municipality for the installation of new playgrounds. New district and local level playgrounds are funded by the Capital Works Program and are delivered within the financial year. The works include a playground renewal program which is compliant with Australian Standards.

The local level, Oaktree Drive Reserve playground, Cranbourne, will be refurbished during the 2022/2023 Financial Year.

You spoke, we listened – Preferred Design

The featured design has been inspired by community feedback from a recent site survey. You spoke, we listened, and the new playground design reflects this input.

A bright playground design that caters for both junior and senior users incorporating a similar footprint has been the successful.

Comprising of two play towers and a climbing cube with multiple slides, interconnecting rope climbing activities, track glider, standard swings with the inclusion basket swing, all abilities swing seat, and many lower accessible activities. Natural rocks have been selected to form part of the playground edging offering nature-based play opportunities

There is something for everyone.
